

Order Form Custom for Wall Curtains

1. Track Length and Width

Tell us the amount of track that each drape panel will cover when closed. We'll add for drape fullness. Do not give window size. Wall Curtains are made in pairs (2 panels that meet in the middle) with the #9 glide attachment only.

One pair of tiebacks included, same color as drapes, 18" long by 6" wide. For a designer look, you can order contrasting color tiebacks.

Wall curtains are not pleated.
